New Security Family ID Code:

Every family is being provided a 4-digit code by which to be identified when they call the front gate 210-822-0110 to leave a request to let in visitors, guests and/or vendors into Oakwell Farms.

To speak to a guard, dial 210-822- 8687 On such calls, the guard may not recognize the resident's voice, but hearing the family code will assure accuracy. If you did not receive a code with your billing statement, it is because we have not received your paperwork. Please e-mail your association manager, Barbara@ams-sa.com, if you need a copy of the paperwork to complete.

Delinquent HOA Accounts:

Effective July 31, 2011 and approved by the Board of Directors at the May 26, 2011 meeting. All association accounts that are past due for sixty (60) days, will have their entry remotes de-activated. Resident will have to use the front gate visitor entry until their account(s) are in good standing and current.
